Scavenger Hunt Rules

Team Participants

- Teams can have as many participants as you like to gather the items throughout the Games!
- A minimum 1 participant must attend the Scavenger Hunt event on June 13th at Park Day to have their collected items tabulated and scored.

Event Format - REVISED 2027

- Participating teams will be tasked with finding a list of items posted on the Corporate Challenge website and shared on social media and Discord on pre-determined dates. Discord will serve as an information hub for Edmonton Corporate Challenge, providing dedicated sport channels for open discussion and collaboration for teams throughout the games, but will not be used for scavenger hunt submissions in 2027. For more information about discord click here.
- Items are to be collected and physically brought to Park Day June 13 for scoring, see schedule below for division times. NOTE: Items will not be uploaded to Discord in 2027.
- **The Scavenger hunt items must be originals and/or authentic unless otherwise indicated. No photocopies, videos, photos, or facsimiles will be accepted unless the clue specifically requests them.**
- Every item will have a point value assigned.
- There will be 4 release dates for the items:
    - May 19 - **Crafty Creations** - this is your chance to show your creative side! There will be a short list of things your team will have to create. Past examples have been a diorama of your office made from popsicle sticks and a model of the Legislature Building made from marshmallows!
    - May 26 - **The Giving Spirit** - teams will be tasked with finding a few donation items for local charities. Teams will then bring those items to Park Day with the rest of their Scavenger Hunt items. Items will be tabulated and then brought to the charities by Corporate Challenge.
    - June 2 - **Around Town** - we'll ask you for a few pictures of local landmarks. These photos can be brought to the event on June 13 in digital or printed format.
    - June 9 - **Junk Drawer** - A short list of items that you'll only have a few days to find! This is a true scavenger hunt!

Tie Breaker

- In the event of a tie, teams will compete in a timed “lightning round”.
- The lightning round(s), if any, will occur directly after tabulation. See the Scavenger Hunt Schedule for details.
- Judges will call for an item in the possession of any team members.
- Teams unable to produce the item within 30 seconds will be eliminated until only one team is left. If all teams are unable to produce one item, a new item will be called and no team will be eliminated.
- Ties may occur in the top 6 positions so make sure you stay around after your round.

Teams that provide written notification (by email) that they are canceling out of an event within 48 hours of the start of the event will be penalized 5 points. A company with participants who register at the event but are unable to register an eligible team will be considered a cancellation and the penalty will apply.
