

Keeping score for Corporate Challenge Golf

Thanks for participating in the 2026 Corporate Challenge Golf competition. The day will consist of the ladies' team from your company playing the front nine with a ladies' team from another company and the men's team from your company playing the back nine with a men's team from the same company. We will provide each twosome with a scorecard with their company name on the card.

At the first hole Team "A" will swap scorecards with Team "B". Team "A" will keep score for Team "B" and Team "B" will keep score for Team "A". At the end of the round Team "A" will total the score on the Team "B" scorecard and have Team "B" review the scorecard before initialing that the score for each hole and the total score is correct. Team "B" will do the same with the scorecard for Team "A". Scorecards will then be turned in at the scorekeeper's table in the clubhouse.

Company Name

Ladies' team initials

Men's team initials
